PROFILE

A highly motivated and results-oriented third-year undergraduate IT student at JKUAT with a passion for technology. Seeking an attachment opportunity to gain practical experience in the IT industry and develop my skills and knowledge.

EDUCATION

Bachelor of Information Technology 2022-present

Jomo Kenyatta University of Agriculture and Technology

Diploma In Information Technology 2019-2021

Jomo Kenyatta University of Agriculture and Technology

Secondary school 2014-2018

Karima Girls High School

EXPERIENCE

Volunteer shop assistant at XGAMER technologies Sep-Nov, 2022

- * Provided technical support
- * Installed and configured software
- * Resolved computer problems

1. Database Management Project - Designed and implemented a relational database using MySQL. Created tables, views, and queries to efficiently manage data.
2. Java Programming Project - Developed a console-based application to perform basic operations on employee records. Utilized object-oriented programming principles.
3. Web Development Project - Developed a responsive website using HTML, CSS, and JavaScript. Implemented user-friendly design and optimized performance.
